

Intersurgical EcoLite™ Tracheostomy mask

Everything you'd expect from a tracheostomy mask

And less

Latex Free
No phthalates
No PVC

Intersurgical EcoLite™ Tracheostomy mask

A high quality, lightweight mask with a quick-release system for optimum ease of use. Our product also offers a little bit *less* than others.

Less environmental impact

Because we don't use any PVC, the environmental impact of the Intersurgical EcoLite Tracheostomy mask is significantly less than other masks, in fact 82% less*.

Phthalate free

Intersurgical EcoLite Tracheostomy mask is entirely free of phthalates.

Features and Benefits
